

MHA CONSUMABLES

Surgical and Diagnostic Instruments Catalog

Company Profile

We provide medical instruments manufactured to strict standards for accuracy, durability, and safe clinical use. Our goal is to support better patient outcomes through dependable tools.

Catalogue

A comprehensive reference of precision-crafted medical instruments for surgical, diagnostic, and clinical use. Built for accuracy, durability, and professional confidence.

Year or Edition: *2025 Edition*

Dismantling procedure

Triple detachable handle: the split step divide into four steps, as follow

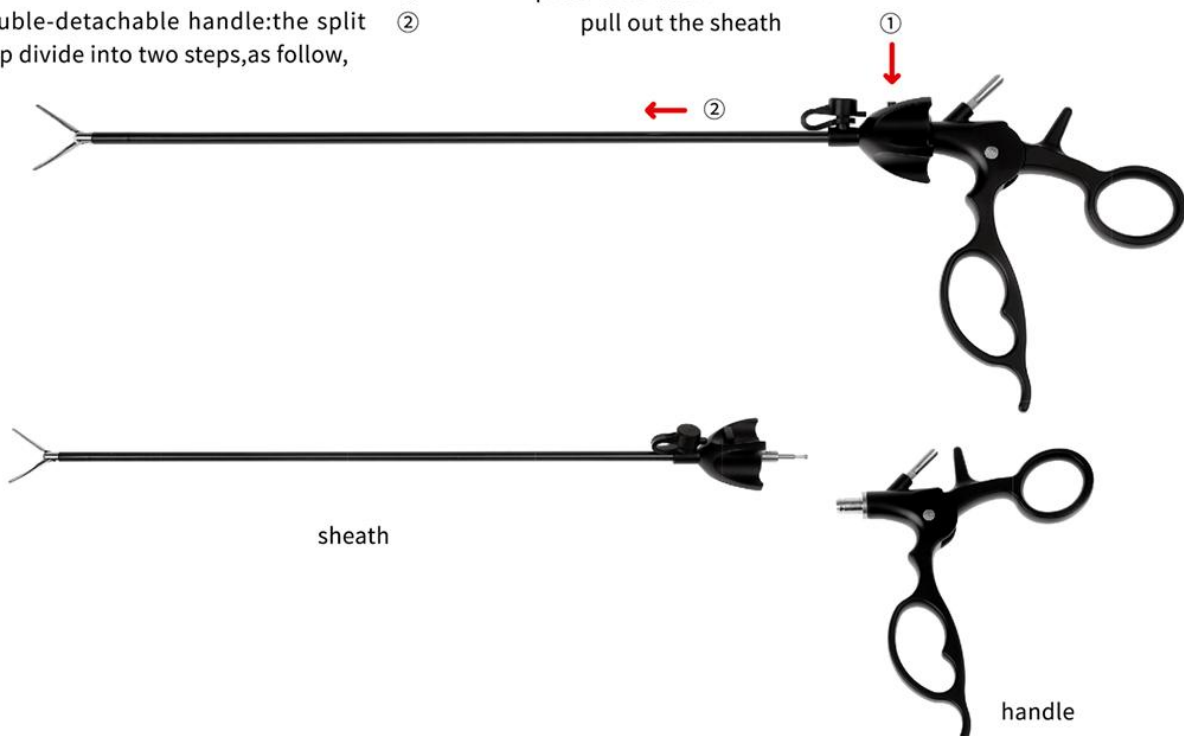

- ① press the button
- ② pull out the sheath
- ③ rotate the tip
- ④ pull out the pin inside

(3mm)

double-detachable handle: the split step divide into two steps, as follow,

- ① press the button
- ② pull out the sheath
